Foreword

GRADUATION DAY — this magical day, is almost upon us. Soon we will be stepping into a strange world, and our carefree grammar and high school days will be forever passed but not forgotten.

Our years spent in Hatfield have been good ones, full of fun, music, dances and athletics. Although more serious things as lessons, homework, and earning money to fill our class treasury have also taken some of our time, we have emerged on top, smiling and happy.

The friendships we have made will live forever in our minds and hearts, untarnished by time. The advice of our teachers will become real and valuable to us through the coming years.

In this our, 1955 HATTER, is a record of the events in our school lives. We have grown immensely since that day long ago when we first entered "Old High", and we want to share our experiences with you.

This book will only further prove that "firm are the friendships, strong are the ties, binding us fast to thee."

Dedication

MRS. GLYNN E. STOVER

Besides being the girls' physical education and health teacher, you have given many hours of your time in coaching our girls' athletic events. Unfailingly for four years, you have kept the hockey championship in Hatfield, winning not only a trophy but also the respect and gratitude of your team and the entire student body.

For your kindness, unselfish help, and school spirit, we, the seniors, dedicate this, our 1955 HATTER, to you, Mrs. Glynn E. Stover.

CONGRATULATIONS AND BEST WISHES TO THE CLASS OF 1955:

Twelve long years ago, when you were experiencing your first days at school, graduation seemed a dream, an event so far in the future that it would never come to pass. As each year slipped away, you were brought a little nearer to the realization of that dream, and each success and disappointment made you a little stronger to face the harder problems to come. You grew "in wisdom and in stature", from little children to young men and women. And now, your great objective has become a reality, your dream has come true — you are about to graduate!

You have attained this milestone of achievement mainly through your own efforts, through the love and concern of your parents, and through the interest and guidance of your teachers and friends. You have been taught to uphold high ideals and standards, to think clearly and intelligently through difficult situations, to accept the responsibilities which are yours to carry, to appreciate your many blessings as an American, and to take advantage of these blessings so that you may be an asset to your community and your country.

As you go from this place of learning you will enter greater fields of endeavor. You will be called upon to serve your fellowmen in many varied ways. You will discover that you will attain the greatest degree of happiness when you are giving of your time, your talents, yourself, in helping to make others happy.

In behalf of the Board of Education, I want you to know that we are proud of you, Class of 1955, and we are expecting greater things of you in the coming years. We wish you success and satisfaction in the choosing of your particular vocations. We hope that you will find it an easy task to build your future happiness and security on the foundations that you have laid "through the years" spent in the Hatfield School.

Very sincerely yours,

WILLARD M. LANDIS

TO THE CLASS OF 1955:

What does it mean to be educated? Does it mean that one has assimilated a certain body of knowledge? Does it mean that one knows the salient facts about government, the important events and movements of history, and the pro's and con's of the public issues of the day? It means these things, but it means much more. The educated person is socially competent and civically responsible, is able to think rationally, has respect for other persons, is able to work cooperatively with others, understands the operation of our economic system and the human relations involved therein, practices good personal relations with the family, purchases and uses goods and services intelligently, appreciates and enjoys beauty in literature, art, music, and nature, is able to listen and read with understanding and communicate his thoughts with precision and clarity, understands the methods of science and the influence of science on human life, and understands ethical values and principles and practices ethical conduct.

The truly educated person practices good health habits, uses his leisure time wisely, reads widely and intelligently, is emotionally stable, and understands and practices the democratic way of life. He uses his time efficiently and budgets it wisely, plans his affairs, both individually and in groups, with intelligence, and carries out his plans efficiently. He is vocationally competent, and constantly seeks to improve himself. He takes an active and intelligent part in the affairs of his community, state and nation. He is dependable and cooperative, and works actively to improve his character and personality. He has a deep and sincere belief in human nature, and an abiding faith in a divine purpose.

To act intelligently and purposefully one must have a sound background of knowledge. One must also develop understandings, beliefs, attitudes, habits of thought, and modes of conduct. The educated person has developed clear understandings and valid beliefs and attitudes because he has acquired the necessary informational background, examined all sides of a question critically, weighed the consequences of the various alternatives, and reached a decision based upon rational evaluation. When this is done, and only then, he decides upon a course of action. After he has decided upon a course of action he follows it through. One who is educated, therefore, is one who knows, believes, thinks, plans, and, above all, acts intelligently, rationally, purposefully and with due regard to human values, democratic principles, and ethical considerations.

Are you educated?

SECRETARIES

Typing, filing, and answering telephones are just a few of the many duties which were performed by the school secretaries, Mrs. Betty Shissler, Mrs. Martha Fickert, and Miss Helen Glueck, during the school year.

In the office near room 21, Mrs. Shissler operated the switchboard, typed copy for the *Orange and Black*, plus the daily announcement sheets for the high school and tests for the teachers. She also kept the high school files in order.

In the principal's office, Mrs. Fickert attended to the accounting duties and payrolls of the school plus the secretarial duties of the joint school board while Miss Glueck sorted the morning mail for teachers, worked on the elementary files, and was private secretary for I. Newton Cowan, Principal.

As before, students distributed announcements sheets, and collected attendance and admission slips.

PARENT-TEACHERS ASSOCIATION

"The Family Studies the Community School," was the theme throughout the 1954-1955 season of the Hatfield Parents-Teachers Association Meetings. Topics of discussion at these meetings concerned school busses, dating, school life and the reading problems of children.

Among the activities sponsored by the association was a book fair which took place at one of the meetings. A beginner's dancing class which started in September was held for an average of twenty-five pupils.

To raise money, the association conducted bake sales at each meeting and a street fair in May. The proceeds from these were used for scholarship funds, awards for graduation, attendance

and membership prizes offered to the elementary and high school homerooms, and donations to the athletic association and student loan fund.

Leading the association in a year's work well done were: Mr. Norman Roberts, President; Mrs. David Lewis, First Vice-President; Mr. Stanley Golazeski, Second Vice-President; Mrs. Hayes Herschler, Secretary; Mrs. Donald Greens, Corresponding Secretary; and Mrs. John Gray, Treasurer.

JANITORS

"Neither sleet, nor snow, or wind and rain shall keep these men from their appointed duties." Perhaps we may be exaggerating a bit and do not mean mailmen, but the phrase does have a meaning to us and our two janitors, Elmer Rupert and Nelson Nolan. Always smiling and always ready to lend a helping hand to anyone in distress or need, these men certainly have earned a prominent place in the school.

Mr. Rupert, working during the day, and Mr. Nolan, at night, have many duties to perform which are

important to the proper school functioning. These include cleaning classrooms and halls, moving furniture, and one of the most important to pupils, keeping the school open for extra-curricular activities.

Before we leave Hatfield High we would like to say a big "THANK YOU" to Mr. Rupert and Mr. Nolan for their friendliness, cooperation, and aid to our affairs. We couldn't have succeeded without them.

BUS DRIVERS

For the thirty-fourth consecutive year the Delp Bus Service has provided transportation for the students of Hatfield School. The four busses driven by Mr. Durrell Delp, Mr. Charles Keelev, Mr. Gifford Cook, and Mr. Wilson Alon each make three round trips a day, plus extra trips at noon to transport the pupils who are on half day sessions. The men are also willing and ready to drive their busse to all athletic events and class trips. We owe a debt of gratitude for their kindness and consideration which they have extended to us throughout the years.

MEDICAL DEPARTMENT

Along with childhood and growing up, there comes a time in school when the school nurse becomes a very important person. Mrs. Anne Stark filled this position and helped turn many a youngsters' tears to smiles by aiding them through their aches and pains, real or imaginary. Other duties included in Mrs. Stark's job were to make home calls, check on absentees, and keep health records of all pupils.

To stimulate interest in nursing, Mrs. Stark began the Future Nurses' Club where the girls were taught how to make beds, care for patients and make them comfortable. She also administered the audiometer tests to check the pupils sense of hearing.

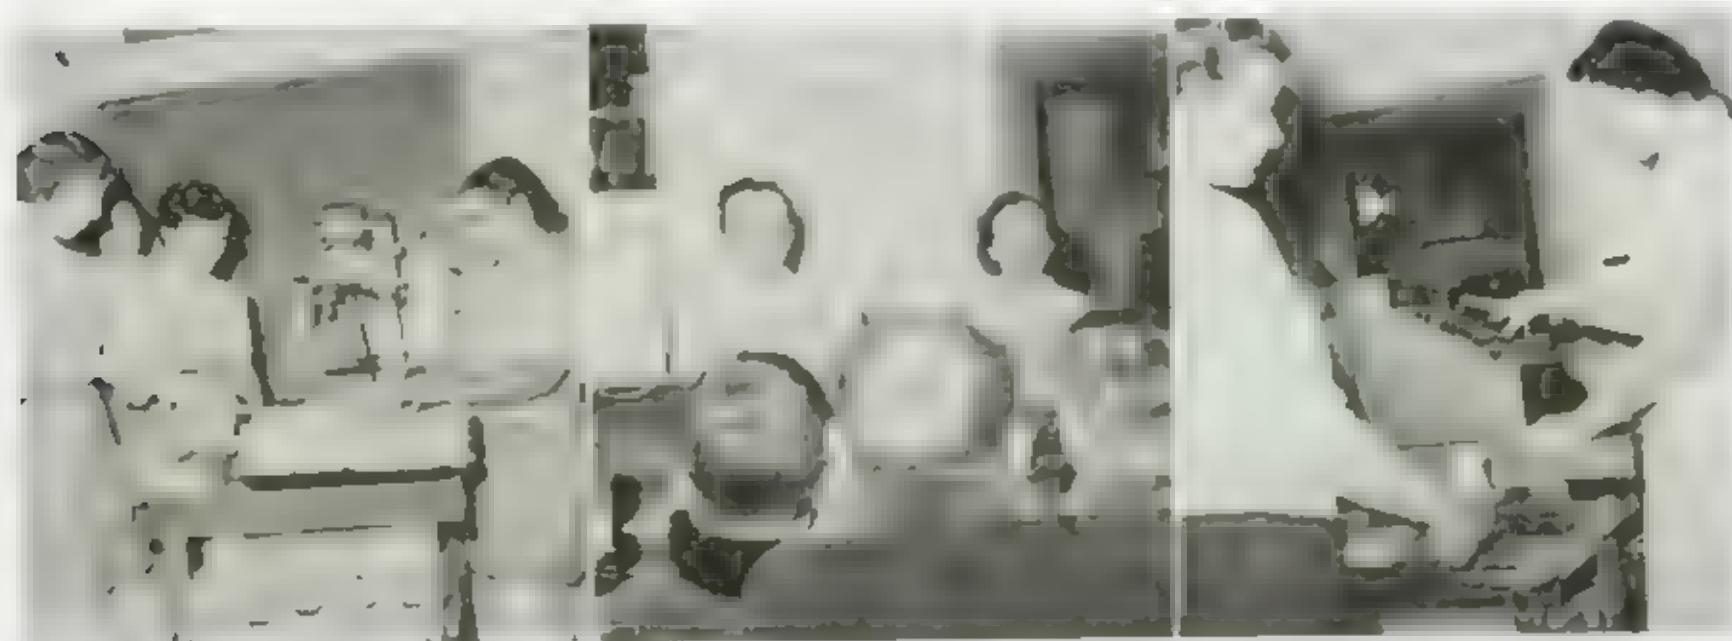

In the fall X-rays were given by the Montgomery County Tuberculosis and Health Society to anyone wishing to be X-raved. Dr. Albert Schafenacher again conducted physical examinations and Dr. William L. Robinhold checked the pupil's teeth.

CAFETERIA STAFF

"The way to a person's heart is through his stomach" certainly seems to be the motto of the cafeteria staff. Mrs. Victoria Kober, Head Cook, Mrs. Elmira Henning and Mrs. Helen Benner, Food Servers, Mrs. Pearl Schlosser, Cashier, and behind the scenes, Mrs. Marie Miller, Mrs. Lavina Clemens, Mrs. Hannah Stoneback, Mrs. Sarah Price, and Mrs. Beatrice Delp. Day after day these people are responsible for providing many enjoyable meals and platters which keep us students healthy and happy.

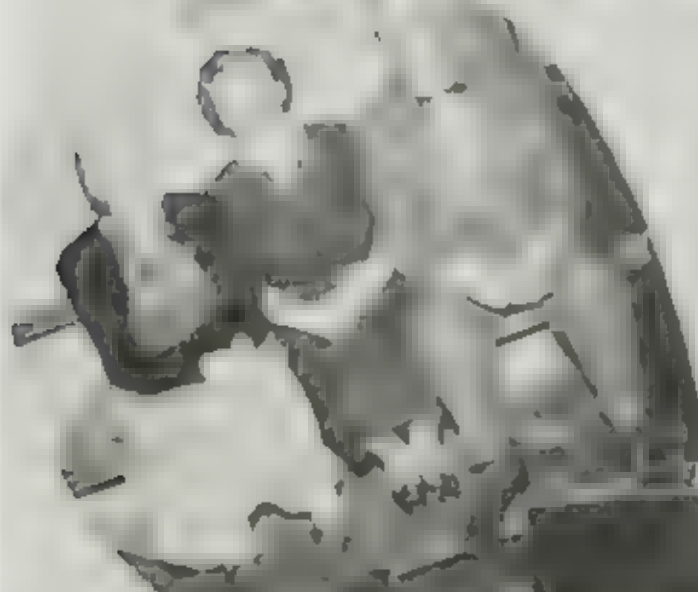

Lunchtime is always the favorite time of the day. We would like to thank the staff and the student aides who helped the staff by serving ice cream, pie, cakes, potato chips, and coffee during the past year.

SEVENTH GRADE

Although new to the junior high school, the seventh graders soon became adjusted, entered into the many activities, and proved themselves willing workers. Their greatest loss upon this new venture in high school was the lack of a recess period, but gym class proved a good substitute for them.

The class was divided into three sections. First was 7-I under the supervision of Mrs. Ben New. Pupils in this section were Stanley Welch, Mary Gardner, and Elwood Dickworth.

In the 7-II section, Carol Romage, George Zinetti, Robert Lukens, and Robert Roth were the new additions. Miss Trexler was their advisor.

Mr. Golazeski had charge of 7-III. Newcomers here were Laver Wentzel, Robert Morton, and George Houck.

To close up their first year in junior high school, the combined homerooms made a trip to Willow Grove Amusement Park for a school picnic.

EIGHTH GRADE

This is the second term for the eighth grade students in junior high school. They have climbed the second step towards graduation. Only one more year remains before they enter senior high school.

Eighth grade was divided into three sections. Under the direction of Miss Berringer, 8-I occupied C-1. For these youngsters, Halloween proved to be great fun. At this time they had a party. Among the many games played was ducking for apples.

Miss Angeny was advisor for 8-II. This section ranked second highest in the school for the sale of magazines.

The auditorium served as the homeroom for 8-III under the guidance of Mr. Little.

New pupils in the eighth grade this year were William Reed, Edward Humber, Alfred Roberts, Judith Brandis, Elaine Starner, and Norman Roth.

NINTH GRADE

These peppy lads and lasses of the ninth grade lost no time in entering into the school spirit. They started by being on the Junior High Teams and engaging in the many activities provided by the school. They sponsored several dungaree hops, also.

A trip to the voting polls was taken in the fall; and, to Hannsburg in the spring. An assembly program was given on November 3. This was in the form of the quiz program, Beat the Clock.

Mrs. Kriebel and Mr. Nieznay were the advisors for this group. New pupils included Alice Welch, Doris Wentzell, John Kevin, Glenn Kriebel, and Jack Smith.

A new world begins next year for these students when they enter Senior High School. Many new activities and studies will keep them quite busy.

SOPHOMORES

Early in the 1954-1955 term, the sophomores, divided into two sections with Mr. Potts and Mr. Zuercher as their advisors, determined to make the year a successful one. They started by increasing their class enrollment with Walter Loburak, Myron Roth, and Wilbur Kriebel as the new entrants.

Hockey and soccer were the first activities in which the group participated. Many of the girls and fellows were found in athletic and band uniforms during the season. They shared headlines with the upper classmen.

The "Sophs" sang with the Harmonaires for the first time this year. The school newspaper and basketball also took a fair share of their time. These lads and lasses proved to be a great asset to the school and teams.

The highlight of the year was the April dance. Because of the jointure in the fall, the sophomores must postpone the excitement and thrill of getting their class rings.

These sophs certainly started their high school days with a bang. Here's hoping that all the rest of their days in high school will be just as successful.

JUNIORS

The Juniors were divided into two sections. One group was in C 4 under the supervision of Mr. Coblenz while the other was in room 23 with Mr. Chilcote as their advisor.

One of the biggest problems with which the class had to cope was to begin raising money for their senior year. To help their treasury they sold Easter eggs and held bake sales. Dungaree hops were also sponsored throughout the the year to aid the cause.

Studying the causes and prevention of juvenile delinquency was a problem they undertook. For this they wrote letters and arranged questionnaires to help them in their opinions.

Several girls represented the Harfield Forum Club by attending the meetings and discussions at neighboring schools. Five juniors had the experience and excitement of going to the United Nations Building with seniors. In sports, the teams were well represented by the junior class. They also were members of the band and harmonaires.

Charles Whartenby was the only new pupil to enter this grade.

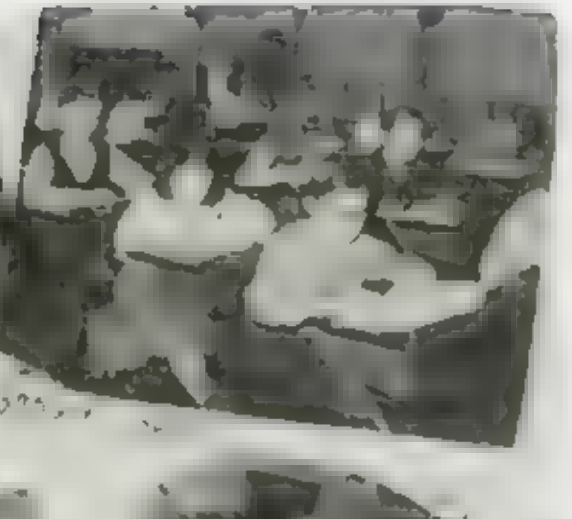

We wish the juniors much success as seniors in the fall. As Juniors, they proved to be a very important part of our scholastic life as well as our activities.

Diary of the Class of 1955

September, 1942

Dear Diary,

Today I entered school for the first time. My, what a group of friendly, active children I have joined! I think it will be fun going to school with them. The teacher tells me that I will have to learn to read, write, spell, do arithmetic, and study history, geography, science and health. I am very glad we have recesses!

September, 1949

School again! Boy, it feels good to be out of the grades and in high school, even if it's only junior high! How will I ever remember where I sit in the different rooms? And all those books to carry! I don't think I'll even be able to get through seventh grade.

September, 1951

Ninth grade already, Dear Diary, and I survived those books. Now a few colleagues and I are taking Latin. I'm afraid the poor Romans would turn over in their graves if they heard us! We are also beginning to collect class dues.

September, 1952 — June, 1953

Senior high school at last! We all feel very important as sophomores with Mr. Chalcote and Mr. Potts as our advisors. Lucy Clemens is our president, and Bob Hoelscher is vice president. Gail Server and Phyllis Frankentield are secretary and treasurer, respectively.

Selecting class rings brought about much debating, but we finally chose them, and they arrived shortly before Christmas. To swell our treasury we sold greeting cards and writing paper, besides collecting dues. Some of the kids joined the *Grease and Bess* staff, and the Kings Men played for our sophomore dance, One Night in April.

September, 1953 — June, 1954

Sadness has come to our class, Dear Diary. Gerry Cassel passed away during the summer. She will never be forgotten. The thrill of becoming juniors helped pep us up. Miss Heiges and Miss Hyastal, now Mrs. Ben, were our advisors, and Luc was again elected president. Janet Maunter became vice-president, Flossie Amstutz, secretary, and Rosie Landis, treasurer. We sold pencils, felt letters, potted plants, and Easter eggs. We sponsored many dangatee hops to raise money, and, of course, there were the always present class dues. We discovered a few Barrymores in our class when they took part in the junior-senior play, *Later He'll Be Home*. Learning to drive added to our grown-up feeling but caused the loss of some more of Mr. Chalcote's hair. The May-June, May Coronation, featured the Sky Jinks. Shirley Vincent and Sam Foettler were crowned May queen and king, with Hazel Moore and Jerry Meyer representing our class. Oh, Dear Diary, it was sad seeing the seniors off to Washington! We wished it were our turn. Yes! We all had fun at the farewell party for the new graduates at Shirley Brand's home and at the prom at Forrest Lodge.

September, 1954 — May, 1955

Hurray! Seniors at last! It doesn't seem possible that we've finally made it! However, I'm afraid our advisors, Miss Heiges and Mr. Richards, sometimes have their doubts as to our being seniors, but here we are. Lyn Kriebel took over the presidency this year with Charlie Ott as vice-president and Phyllis Frankentield and Frank Javorka as business managers. Flossie and Rosie kept their jobs for another year.

How to earn money has become the most important item. After being told the staggering total of money we would have to earn, the magazine campaign was launched, and class dues were raised. And the dear old Prom peanuts—who can forget them? We sold hundreds of bags of these to raise that much needed "green stuff." We also sponsored dangatee hops and bake sales, collected newspapers and sold candy after school and at games.

The *Harper* staff was chosen, and we soon had the job of getting ads. We also nominated teachers in order to select the one to whom the *Harper* would be dedicated, choose the class motto and colors, had our senior pictures taken, and selected name cards and announcements. The "Crew Cuts of HHS" first made their appearance at an assembly program, as did Jackie Gleason's "Poor Soul." Both brought down the house with laughter.

A belated Welcome Party for the juniors proved to be a great success. The magical days of the Washington trip were April 28 to 30. The girls especially liked Annapolis, and everyone enjoyed the moonlight cruise and Glen Echo Park. I know I'll never forget those sleepless nights, early mornings, water pistols, and all the walking, walking and more walking!

How the year has flown! So many little incidents have happened that I must relate a few of them to you. For instance, the unforgettable class meetings, Jim is still hoarse! The girls developed a craze for knitting argyle socks. Dave Kratz invented a new way to open locker doors. Al found a few rodent friends in his locker, and there were many lively discussions in P.O.D. and Family Living Classes. Of course, all the scrapes we got into will never be forgotten by us or the teachers.

May 23, 1955

This will be the last entry, Dear Diary, for tonight is Class Night. We are all here having fun, but looking sadly toward Commencement and the huge world beyond for us to conquer. As we leave, a phrase of our Alma Mater comes to our minds, "firm are the friendships, strong are the ties, binding us close to thee."

WASHINGTON TRIP

Bright and early on the morning of April 28, our class, amid the shouts and farewells of our families, friends, and the juniors, left on the 7:15 train from Lansdale, accompanied by Mr. Cowan and Mr. and Mrs. Kriebel complete with a sheriff's badge. The long-awaited day had finally arrived. **We were full of energy as we arrived in Baltimore, Maryland.**

A guided tour of the U. S. Naval Academy thrilled the girls, and the luncheon at the Anchorage was gratefully consumed. From Annapolis we took a bus to Washington and Mount Vernon.

Upon our arrival at the New Colonial Hotel, along with the assignment of rooms and the unpacking, confusion reigned supreme, but everything was soon righted. After dinner at the hotel, we took a bus to the Congressional Library. The evening ended with a moonlight cruise on the Potomac River after which we returned to our hotel to "sleep".

Breakfast at 7 a.m. Friday morning found us a very sleepy group, but some of our energy returned after a little nourishment. We were soon on our way to visit the Bureau of Engraving and Printing and the Washington Monument. The latter, with all those steps, put signs of wear on a few of us, including Mr. Kriebel, and everyone was glad to relax in the bus on the way to the White House. The rest of the day was spent in visiting the National Art Gallery, the Federal Bureau of Investigation, Rock Creek Park, the zoo, Fort Meyer, Virginia, Arlington Cemetery, and the Tomb of the Unknown Soldier.

After another meal at the New Colonial, we went to Glen Echo Amusement Park, where we used the remainder of our energy. Everyone was more than glad to return to the hotel to get some "shut-eye."

Seven-thirty Saturday morning again found us eating breakfast. A guided tour of the Capitol followed. After visiting the Smithsonian Institute and the New National Museum, we returned to the hotel to pack our bags. We hated to leave the hotel, for it meant that our Washington trip was almost over. However, the Lincoln and Jefferson Memorials were very impressive, and we looked forward to the return trip on the train.

Shortly after leaving Union Station, we soon sat down to dinner in the dining car, a novel experience for most of us. The easy spilling of glasses caused much joking, but the meal was thoroughly enjoyed by all.

Before realizing it, we had pulled into Wayne Junction, and shortly thereafter, the familiar sights around Lansdale came into view.

Our friends and families again met us. Good-bys to each other and thanks to the ever patient chaperons were expressed (they looked a little tired and worn, although no one knew why), and we went to our respective homes. The memories we shared and the fun we had will long live in our hearts.

Being a member of Student Council is indeed an honor for anyone, for this is an active and important organization. It plans and accomplishes many projects that add to the betterment of the school and the community. This year Council enrolled in the "Save the Child Federation," a child welfare organization in Europe. To this they contributed \$45, which was used to care for a child for a one year period. The members also compiled a book of rules and regulations of Hatfield School, along with some of the school songs and cheers.

In order to express their ideas on recreation, Student Council attended a meeting of the Hatfield Youth Council. The latter is now sponsoring a bowling league. An auction was conducted by Council in order to raise money.

CHORAL SPEAKING CLUB

The purpose of the Choral Speaking Club was to have fun improving speech habits. During the year, time had been devoted to learning speech mechanisms, correct breathing and proper pronunciation. Some time was also given to work with serious prose and contrast it with nursery and nonsense rhymes. Because the Choral Speaking group was small—two boys and five girls—they devoted most of their time to reading in unison.

FORUM CLUB

Faculty Advisor..... MR. GERALD H. KRIEGER

James Knudsen, senior member, was a participant in the Voice of Democracy contest. Tolerance, a Test of Democracy was the subject selected for his three minute speech.

Hatfield, being a member of the Bux-Chester-Montgomery Forum, assembled in different schools to discuss current problems from time to time. Many of these discussions were broadcast on the radio.

The club also attended a meeting at Upper Merland on December 15 where they discussed the question "Should the Press Be Restricted in its Freedom to Cover Court Trials?"

Arlene Hlack spoke on WIBC's Radio Forum on January 26, at which time she discussed "Should the United States Abolish All Protective Tariff."

Probably one of the most important activities at Hatfield High was the publication of the school paper, the *Orange and Black*.

Again, as in many previous years, it won first place in both the Pennsylvania School Press Association contest and the Columbia School Press annual competition with other schools.

The staff observed National Newspaper week by visiting Bonckemper's typesetting establishment.

Three of its members attended the yearly state school press meeting at Pennsylvania State University, and the school press convention at Drexel Institute of Technology.

Since this year marked the last one for the high school and consequently for the paper, the staff presented at the Commencement exercises two beautifully bound volumes of all the issues from 1922 to the present, thus providing for posterity a history of the Hatfield High School

The *Hatter* staff, chosen early in the year, got off to a flying start by choosing a theme for the book, as well as a cover. The Who's Who page was early determined upon by the class as well as the faculty member to whom the book was to be dedicated.

Getting ads and securing snapshots occupied much of the available time for the months that followed. The SATONY photographer was also often seen at school taking the group pictures, as the *Hatter* slowly became a reality. The deadline having arrived, tension increased, but finally with a great sigh of relief the last bit of copy was handed in.

CREATIVE READING AND WRITING CLUB

Advisor.....MRS. MABEL K. BEEMAN

The Creative Reading and Writing Club, under the direction of Mabel Beeman, consisted of twenty-seven boys and girls.

Much of their time was spent reading magazines and books. When they had finished their readings some of the pupils gave a report on what they had read. The rest of their time was spent writing short stories, discussing periodicals and attempting to write verse. Occasionally some of the members read their own products before the group for criticism and analysis.

POETRY CLUB

"Small but mighty" well describes the Poetry Club which consisted of only four girls and three boys. This was under the supervision of Mrs. Mabel Beeman.

Robert Frost occupied a great deal of their time. His poems were read both by the advisor and by the pupils. To add to the interest, records were used. Other records featuring Robert Tristram Coffin and Vachel Lindsey were also heard.

The quantities of good poetry, figures of speech and rhythm were discussed. Writing verse was encouraged and worked on as a group and individually.

FRENCH CLUB

Learn to French. The pupils of the French club soon learned how to say "How are you?" under Miss Beatrix Hughes' supervision. The purpose of this club was primarily to promote interest in France. Learning about the French people and their customs, as well as the language itself, was stimulated by records. Another diversion from the ordinary routine of studies was singing French songs, such as "C'est Si Bon," "Mouette" and "Fleur Jacques." Learning the days of the week, months of the year, and telling time proved to be another interesting topic, and the year ended as the pupils felt a new kinship with their French neighbors.

FUTURE HOMEMAKERS OF AMERICA

Advisor..... MRS. GERALD KRIEBEL
President GAIL SERVER
Vice-President..... MARY MAINS
Secretary.....ADELE DETWEILER
Treasurer..... LUCY CLEMENS

This year the F. H. A. engaged in quite a few activities. To start the year, they sponsored a dance, Autumn Holiday, in October.

January was the month of the Farm Show. Representing Hatfield at this event were a bus load of girls and two lone boys.

Several of the girls submitted skirts for competition in the sewing division.

Selling French fries, sodas and hot dogs at the home basketball games were a few ways of raising money for F. H. A. treasury. Other means of adding to the purse were making and selling teddy bears and also giving a ham supper.

Throughout the year there were guest demonstrations on certain products such as cosmetics, a sewing and an ice-cream demonstration.

Several films on beauty and posture were, also, shown.

A group of girls journeyed to Cressona High School in November to attend a regional conference.

To represent Pennsylvania at the National Conference three girls from Hatfield went to Durham, New Hampshire, on June 26 and remained until July 3. Some of the members also attended the state conference at State College from June 13 to 15 of this year.

SENIOR HIGH BOYS' CHEFS CLUB

Whoever thinks that the fellows cannot keep up with their female colleagues in cooking, certainly didn't pass the cooking lab during club period on Tuesdays. The nineteen boys, under Mrs. Gerald Kriebel's careful supervision, learned the fundamental principles of cooking and the preparation of food. The results surprised even the boys. The future chefs, also learned that washing dishes and cleaning up were a part of their job. However, this "torture" was lessened by the fact that it was usually preceded by a good meal.

GIRLS' SHOP CLUB

*Advisor.....*MR. RONALD RICHARDS

Under the direction of Mr. Ronald Richards, thirty-four senior high girls learned how to use a hammer and saw without hurting themselves. They were taught how to saw wood and learned the safe way of using the various tools. Many objects made by the girls were exhibited at the annual Open House, some of which won prizes. Some articles ranked equally high with those of their male competitors, and the useful items were proudly taken home at the end of the year.

JUNIOR HIGH ART CLUB

Advisor..... **MRS. JANICE MOORE**

With the help of Mrs. Janice Moore the students accomplished such art work as wood carving, patter painting, portrait painting, and the creation of colorful designs.

The purpose of the club was to give the students interested in art a wider knowledge of color and culture, which was apparent at the annual Open House. At this time much of the work was displayed, and many prizes were won.

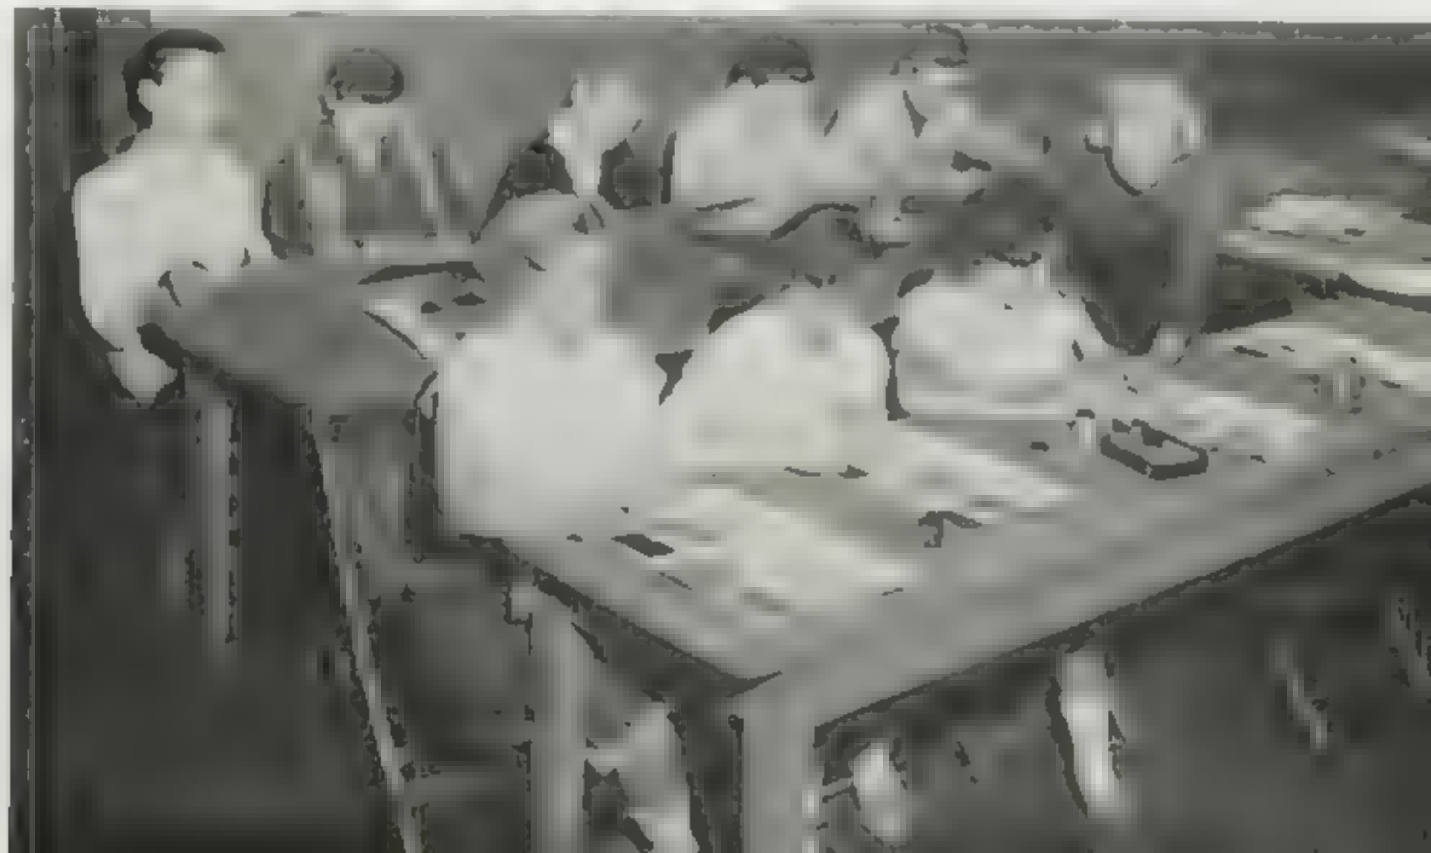

SENIOR HIGH ART CLUB

The Senior High Art Club, under the direction of Mrs. Janice Moore, consisted mostly of boys. Since the majority of students were taking art, many of them spent their time working on current art projects.

Some boys, especially interested in mechanical drawing, worked on their drawings.

The other students made projects of their own choice, such as oil painting, covers for notebooks, stencils and sketching.

SAFETY PATROL

Advisor Miss JEAN BERRINGER

The bulwark of this year's patrol was manned by members of the seventh grade.

As in previous years, members of the squad were on duty at their posts before school and after, in rain or shine.

Their services were rendered on all street corners near school and in the nearby vicinity. They also saw to it that all safety regulations were enforced on school buses and playground.

We are proud to say that these safety patrol members did their best to safeguard the lives of the students at Hatfield School.

MONITORS

Advisor Mr. CALVIN POTTS

Captains PATRICIA COLE and BARBARA CLARK

Due to unusually crowded conditions the monitors, more than ever before, were challenged with the task of enforcing traffic laws in order to eliminate confusion in hallways. The laws included:

1. Pupils are to keep to right at all times
2. Keep in a single file.
3. Students are not to cross in front of the monitors
4. No running, pushing or loud talking permitted.
5. Pupils are not permitted at lockers except between third and fourth periods or with a slip signed by a teacher
6. No loitering in halls or gathering in groups is permitted.

DRIVER TRAINING

Advisor..... MR. THOMAS CHILCOTE

Through the loss of a few more sacred hairs from the head of our driver training instructor, Mr. Thomas Chilcote, there are now approximately 40 new fledgled drivers.

Part of the course consisted of a class session given to the eleventh grade students. In this class they learned the rules and regulations that are necessary for a good driver to know.

As in previous years, Hendricks Brothers of Edford generously provided the Chevrolet driver training car in which the students earned how to drive during activity periods and after school.

When Mr. Chilcote felt that the student had progressed sufficiently toward the goal of a safe driver, the latter was permitted to take his driver's test at Norristown.

Then, after proving his driving skill and answering a few questions, he was duly admitted into the corps of licensed drivers.

FUTURE NURSES CLUB

Advisor..... MRS. ANN STARK
President..... DANAE SCHMIDGAL
Vice-President..... FLORENCE ARMITAGE
Secretary..... BETTY LOU STONEBACK
Treasurer..... NANCY ARMITAGE

Mrs. Ann Stark, school nurse, headed the group of these future women in white as they met once a week for the purpose of learning more about the care of sick people. Although not all the girls had definitely decided to be nurses, Mrs. Stark demonstrated the proper procedure of home nursing and first aid. Making beds and giving baths were some of the things learned, and the girls took turns at practicing these.

Several trips were made to various hospitals and a bake sale was conducted to raise funds. The money was used to buy future nurse's pins and to rent films on nursing. An assembly program featuring one of these films was given in the spring.

HARMONAIRES

<i>Advisor</i>	MR. HAROLD ZENER
<i>President</i>	CHARLES SEIGER
<i>Secretary</i>	GLADYS DELP
<i>Treasurer</i>	BETTY LOU STONEBACK
<i>Librarian</i>	NANCY PRICE
<i>Assistant Librarian</i>	HAZEL MOORE

The senior chorus, better known as the Harmonaires, under the direction of Mr. Harold Zener had a very active schedule this year.

They participated in several school exchange programs and the annual Christmas pageant. They also sang at the Heidelberg Reformed Church in Hatfield and presented a cantata at the Telford Reformed Church on December 26. *The Song of the Holy Night* was sung by the Harmonaires at the Central Schwenkfelder Church.

The Spring Concert, the highlight of the year, turned out to be a great success.

Baccalaureate and Commencement ended the year as the Harmonaires of Hatfield High disbanded with the coming of the new North Penn High School.

CHRISTMAS PROGRAM

The annual Christmas program presented on the night of December 16 began with a rhythm band and chorus with the pupils of grades one to three participating. An operetta, entitled *Frederic and the Little Elf*, followed. This was given by the pupils of grades four to six. Miss Marie Slack, supervisor of music in the elementary grades was in charge of the program.

The second part of the entertainment was under the direction of Mr. Harold Zener. This consisted of a cantata, *Song of the Holy Night*, and was presented by the Harmonaires, after a processional, *Angels We Have Heard on High*. The songs were *Look Back to Bethlehem*, *To the City of David*, *The Holy Night*, *Glory to God*, *Let Us Now Go Even Unto Bethlehem*, *At the Manager*, *The Good Shepherd*, and *Song of the Holy Night*.

A special solo, *Gesu Bambino*, was rendered by Marlene Hupp, and the recessional, *Hark the Herald Angels Sing*, was followed by the *Sevenfold Amen*.

Eleanor Bucci was the accompanist for the entire program.

BAND

<i>Advisor</i>	MR. HAROLD ZENER
<i>President</i>	GERRY MOYER
<i>Vice-President</i>	LUCY CLEMENS
<i>Secretary</i>	GLADYS DOLF
<i>Treasurer</i>	MERRILYN BENNER

Under the direction of the new music supervisor, Mr. Harold Zener, the Hatfield Band celebrated its fourth year of organization.

Band rehearsals started at 8:00 a.m. Monday through Thursday for 50 members of this organization.

A second prize award of \$75 was won by the band in the Pennsburg five mile Hallowe'en parade. The band also won the third prize of fifty dollars in the Lansdale Christmas Mardi Gras Parade. It also furnished music at the Commencement exercises and, together with the Harmonaires, the band presented the annual spring concert.

MAJORETTES

The majorettes form a very important part in every band. These girls add a little something extra that is needed.

To help the HHS band win many of the prizes, the Hatfield maquettes did a splendid job. They were: Annette Royer, Gail Server, Lileen Clemmer, and Sandra Metz.

These four snappy and high stepping girls had several cute and tricky numbers. They practiced their marching and twirling on Monday nights. The results of their practices could be seen in the parades and in the spring concert.

JUNIOR AND SENIOR CHEERLEADERS CLUB

Under the direction of Mr. Calvin Potts, thirty-three girls learned new cheers and the art of cheerleading.

These girls met every week in the shop classroom and, weather permitting, one could see them practicing on the lawn.

Although there were quite a number of girls in this club, only a few were from the junior and senior classes.

Then new bright orange lights provided much color and seemed to help add to the spirit of the cheerers as well as the cheered.

JUNIOR HIGH CHORUS

Advisor..... Mr. HAROLD ZENER

The Junior High Chorus consisted of both girls and boys of grades 7, 8, and 9.

Students were selected by their director, Mr. Harold Zener, on the basis of interest and voice classification.

The purpose of the organization was to promote an interest in good choral music. It also offered an opportunity for students to engage in cooperative group activities socially as well as musically.

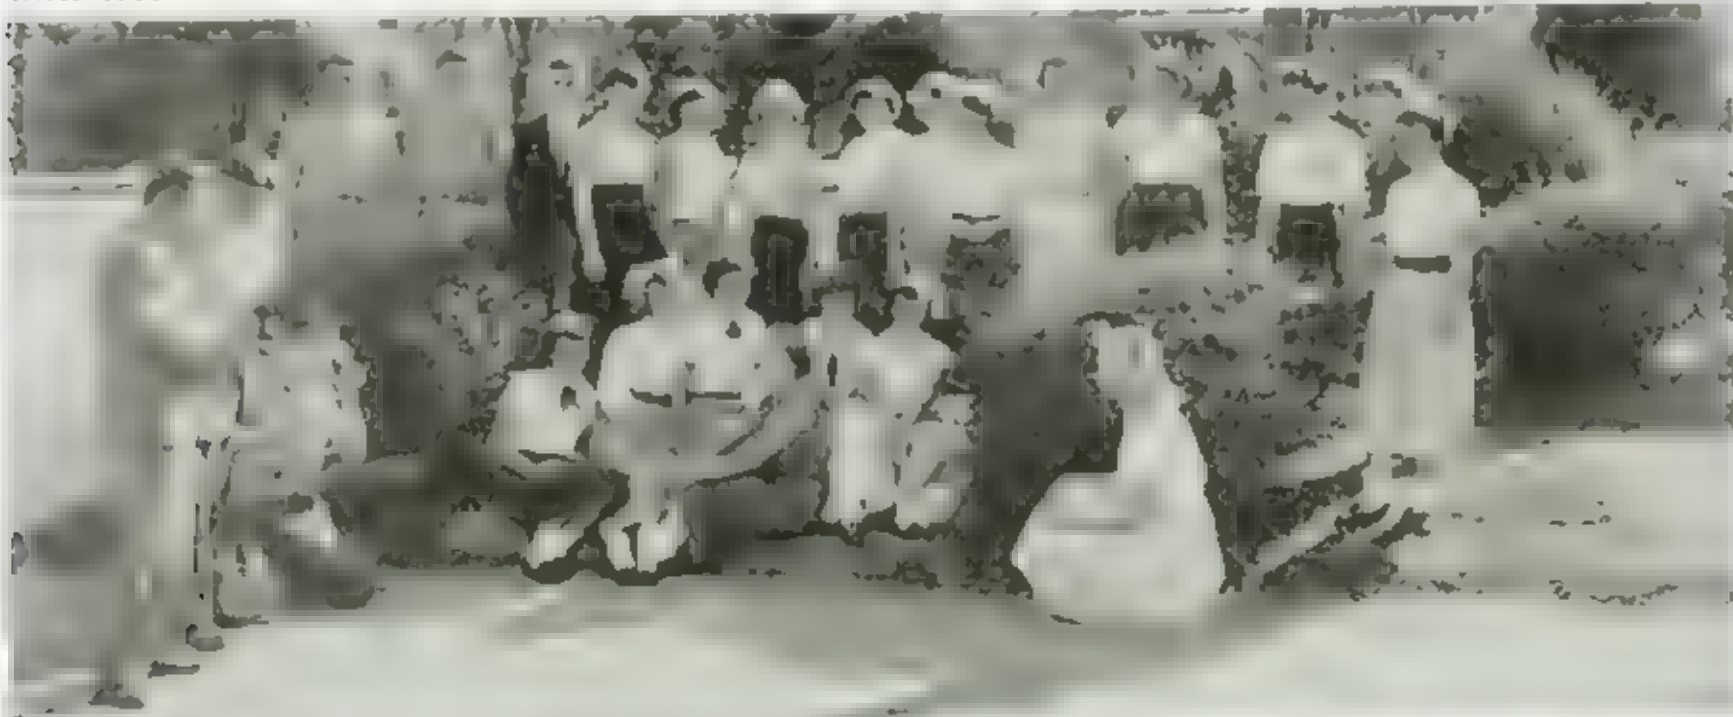

CAMERA CLUB

Advisor..... Mr. OSWIN ZUERCHER
President..... JAMES KRIEBEL
Vice-President..... ALFRED KOBER
Secretary..... ELEANOR BUCCI
Treasurer..... GAIL SERVER

The Camera Club met every Tuesday during activity period. Mr. Zuercher taught seven amateur photographers the fundamentals and skill of taking snapshots out of doors and flash pictures indoors.

Several portraits were undertaken and developed by this group free of charge.

The students were also given the privilege of developing negatives and films during their own free time.

JUNIOR HIGH SCIENCE CLUB

The purpose of this club was to develop interest in science. This aim was accomplished by permitting the students to engage in actual laboratory experiments.

As soon as the boys achieved success in handling the equipment they performed some simple experiments. They also worked on other projects. When these were completed, a report was given by one or several of the persons who worked on that project.

Science films were shown and field trips were arranged when the schedule and weather permitted.

This club consisted of approximately thirty-seven boys under the direction of Mr. Nerzay.

LIBRARY CLUB

Advisor..... MISS MARGARET KING

The main idea of the Library Club was to familiarize pupils with the many books in the school.

The students also put into practice what they had learned during Library club by assisting Margaret King, librarian, before and after school in charging out books.

CHESS AND CHECKERS CLUB

Advisor

MR. STANLEY GOLAZESKI

For the pupils who enjoy playing chess and checkers this club provided particular interest. Friendly competition arose as tournaments were conducted. Some members really learned how to play the complicated game of chess while others merely improved their skill. In fact, enthusiasm was so keen that especially the boys from grades 7 to 12 wanted to play chess under the slightest pretense.

VARIETY CLUB

Advisor.....MISS ANNA ANGONY

The thirty-five members who comprised Miss Anna Angony's Variety Club, increased their vocabulary and improved their spelling as they delved into the world of new words to baffle their competitors in scrabble. This game was engaged in by most of the group and the end of the term found most of them quite interested.

JUNIOR HIGH BOYS' SPORTS CLUB

Advisor.....MR. STANLEY GOLAZESKI

Mr. Stanley Golazeski was the advisor in charge of thirty seven boys who chose the Junior High Sports Club as one of the extra extras. As in previous years, the idea of good sportsmanship and enjoyment of sports was the main purpose of this activity.

During winter and bad weather such indoor sports as basketball, volleyball, wrestling and tumbling were played. But when the weather permitted, soccer, softball and other outdoor games were practiced.

SENIOR HIGH SPORTS CLUB

The non-varsity athletes that formed the Senior High Sports Club got a chance to exert their athletic ability every Friday afternoon in the gym and out on the field.

Under the supervision of Coach Gerald Bower, the fellows participated in soccer, basketball, volleyball, and softball.

All varsity members of any team were excluded from the club in order to give the others a chance to enjoy competition.

SENIOR HIGH GIRLS' SPORTS CLUB

Fifteen girls from grades ten to twelve signed up for Glynn Stover's Senior High Girls' Sports Club.

During this period the members participated in many indoor and outdoor sports such as softball, basketball, volleyball and tumbling.

OFFICIALS' CLUB

Under the instruction of Coach Marvin Jaffe, an Officials' Club was newly injected into the extra activity club selections this year.

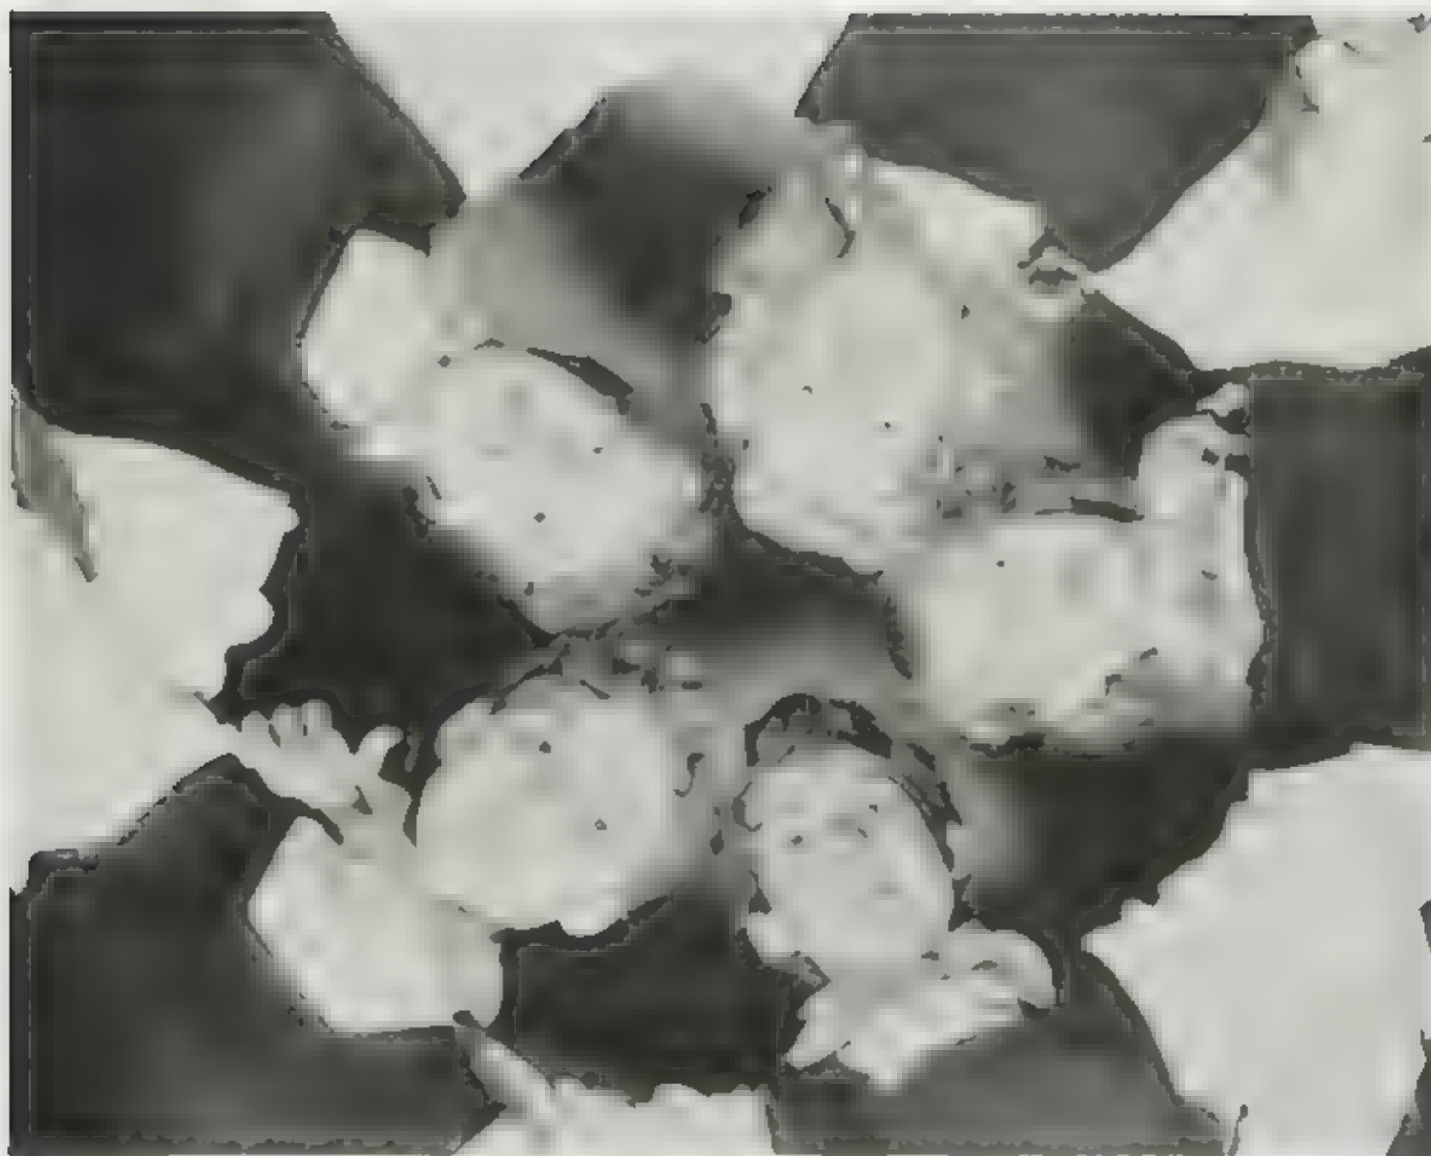

Mr. Jaffe taught the group the fundamentals and techniques of refereeing. The main subject was that of officiating on the basketball court.

The members of this club got their chance to ref games in their physical education gym classes.

"Come on, kids! Let's rush it in!!"

These were familiar words on the hockey field as the girls drove in for a goal. And drive it they did, finishing up the season with a grand total of 23 goals to their opponents' 5. This climaxed their fifth consecutive year as Tri-County League Champions under the able guidance of Coach Stover. During these five years the teams have played 36 straight undefeated games.

This season the maidens started off with a bang, easily clinching their first game by a score of 6-1. They successfully stayed off their opponents until the contest on October 28 with Lower Moreland when neither team seemed to be able to sneak through the defense and on into the cage. The score rested at a 0-0 deadlock after the final whistle had been blown.

The last game of the season with nearby rival, North Wales, also proved a thriller for those on the sidelines. The Hatter eleven shot out from the short end of a 2-0 score and pockered two counters which in themselves were not enough to win the game but held their rivals to a tie game. Thus ended the 1954 season with Hattfield one half game ahead of the Lower Moreland lassies.

This year's team members to be lost through graduation include captain, Rose Landis, center half, Janet Maurer, right and left wings, Gladys Delp and Flossie Armitage, right inner, Nancy Mascaro and center forward, Lucy Clemens.

CHAMPS!

VARSITY SOCCER

The Cinderella boys of last season's soccer world dropped their championship to newly entered Bethlehem High School in a close, thrilling campaign.

Thirteen letter winners returned to the Falcon squad from last year and the Birds were picked in pre-season predictions to cop their second straight trophy at the hands of the Tri County League.

Playing a schedule of 14 games the Hatters captured 12, tied one and dropped the lone by one to the upstate Red Hurricane from Bethlehem.

The big game of the season was with the Red Hurricane at Bethlehem late in the campaign. Previously the two squads tied 1-1 thus the winner of this game would probably capture the laurels. Bethlehem scored early in the first quarter, but a strong offensive maneuver by the Hatters quickly tied it up. The clincher came in the third period when Skippy Rodenback, the league's high scorer, booted the final rally through. Final score—Hatfield 1, Bethlehem 2.

Ronny Bivighouse led the squad's scoring efforts with 17 goals. He was closely followed by Gerry Moyer with 16. The Hatters scored 65 goals to their opponents' 18 in the fourteen contests.

Charley Ott, halfback, Gerry Moyer, lineman, Frank Javorka, halfback, Harry Wurster, goalie, and Russell Snyder, fullback, represented the Falcons in the All Star game at Memorial Park, Lansdale. The Bethlehem booters edged the All Stars 1-0 in a thrilling frenzy.

ALL-STAR REPRESENTATIVES

Frank Javorka, Charles Orr, Russell Snyder, Gerald Moyer, and Harry Wurster represented Hatfield High's soccer team on the 1954 All-Star squad which faced Bethlehem High, league champs. The dream team was coached by Hatter mentor, Gerald Bower.

More than 450 soccer enthusiasts flocked to Memorial Park in Lansdale to witness one of the most exciting annual All-Star tilts in history.

The Red Hatters managed to get only one lone goal but that was sufficient as the All Stars fell to defeat, 1-0. Green-skippy Rodenbach's tally midway in the first quarter against the Hatters' Harry Wurster was Bethlehem's victory clincher.

Twenty-two boosters composed the 1954 All-Star team from Coopersburg, Palisades, North Wales, New Hope and Hatfield.

Mr. Stephen Nieznay completed his first season as junior high coach with a very successful log of seven wins, one loss and one tie. The rookie mentor had a very well balanced squad with such stars as Jesse Lewis, Joe Guthrie, June Watts, Leighton Shaen, Eddie Glover and Sammy Gerhart sparking the attack.

The Junior Falcons topped New Hope twice, Worcester twice, once by an amazing 11-0 score with Fickert drawing home four goals. Perkioinen, and Hill School. The only loss came at the hands of rival North Wales. The Wildcats drove through 2 goals to top the Kids by a score of 2-0. The Walters also tied the Hatters in a scoreless deadlock at North Wales, previously.

The twenty four man squad scored 33 goals in nine games. Goalie Joe Guthrie was victim of only three opponents tallies all season. Guthrie a ninth grader will be considerable help to the varsity next season possessing a fine arm and long boot.

Twenty-five of the squad received letters along with managers Bob Madison and Robert Hilliard. The only seventh grader to receive a letter was Eddie Glover who tallied five goals and was second only to Leighton Shaen in scoring by one.

VARSITY BASKETBALL

Coach.....MR. MARVYN JAFFE
Managers.....TOM PRICE and JACK SMITH

The last varsity basketball team of Hatfield High compiled a league record of seven wins and seven defeats after losing three contests to non-league opponents.

Not one letterman was lost from last year's squad, which established a 7 and 12 log. The appointment of Marvyn Jaffe as head coach of the Hatters also proved vital in improving the team's record.

North Wales, the Falcon's neighboring rival, again provided twice the fun in its two games with Hatfield but the home town courtmen came out both by scores of 54-51 and 61-57. Gerry Moyer, sparkling ball handler, tallied a season high of 22 points for the Falcons in the second outing against the Walters.

After a far first half finish the Falcons began to reel and were in the thick of the second session race, knocking off Palisades and upsetting strong Coopersburg. Then Lower Moreland, victors of the Tri-County Championship, invaded Hatfield and ended the local's hopes of victory with a 47-40 defeat.

Scoring honors for the seventeen games went to Harry Wurster, senior pivotman, with a total of 188 points. Senior Charley Seiger bucketed 127. Bill Harris, junior forward, rounded off the top three scorers with 104 tallies.

Al Kober, Charles Seiger, Russ Snyder, and Jon Marx played their last season of high school basketball along with Frank Javorka, Harry Wurster, Charley Ott, and Jerry Moyer. Promising talent from Bill Harris, Jack Gray, and Ray Snyder should be of great aid to the new North Penn Joint hoopsters next campaign.

JUNIOR-VARSITY BASKETBALL

Coach..... MR. MARVYN JAFFE
Managers..... TOM PRICE, JACK SMITH

The Junior Varsity lads compiled a seasonal record of 8 wins and 6 losses, statistically speaking, a better campaign than their *poppa* varsity.

After dropping four out of the first five contests, the jayvees caught their bearings and spectacularly rallied to clinch five straight league encounters. The string of victories were over previously unbeaten, Upper Dublin, Jenkintown, New Hope, Palisades, and Coopersburg.

Upper Dublin's jayvees were the rdk of the Ivy County League and boasted a clean slate in the won and lost column. It all ended for the Cardinals when they met the Hatters, who dumped them 31-25.

The team which consisted of only five, consistently dependable players totaled 408 points to their opponents 379. Gray Farley, sophomore hoopster, bucketed 104 points for the '54-'55 season. His closet rival was Dick Kirsch, senior forward, who collected 83.

JUNIOR HIGH BASKETBALL

*Coach..... MR. STANLEY GOLAZESKI
Manager..... RICHARD HAGEN*

Mr. Stanley Golazeski and his junior high courtmen completed a successful basketball campaign with a fine record of 9 wins and 3 setbacks, two of which came at the hands of local North Wales.

Clarence "June" Watts tabulated a season's high of 119 points to pace the knave in Hatters in the scoring department. Jesse Lewis was the closest to Watt's mark with 80 takes.

The squad clinched four straight contests before they fell to the Walters by a score of 37-26. The sixth game of the season was no different as East Norriton doubled the count on the Hatters 56-28.

Watts sparked the Falcons in the following game, which started another four game winning fury, by dropping in 23 points for a 45-31 win over Upper Gwynedd.

That old North Wales magic spelled defeat again for Coach Golazeski's quintet as they dropped their third one of the season 38-32.

Freshmen leaving the squad for varsity competition are Robert Snyder, Clarence Watts, Don Stevens, Don Schlosser, Joe Guthrie, Horace Gordon, Paul Fickert, Bob Cassel, Jesse Lewis, and Leighton Shaen.

SENIOR GIRLS' BASKETBALL

<i>Coach</i>	MRS. GLYNN STOVER
<i>Captain</i>	NANCY MASCARO
<i>Manager</i>	NANCY ARMITAGE
<i>Assistant Manager</i> ..	NANCY REUBI

And again the Hatfield girls' basketball team came out on top with a perfect record! This makes the third consecutive year for Coach Stover's hoopsters to nab the Tri-County league championship.

Nancy Mascaro, team captain, lead the scoring column with a total of 126 points to her credit. She was followed by Lucy Clemens who added 116 more. 334 counters were netted altogether by the team to their opponents 194.

The first game Hatfield played against Lower Moreland was a thriller from beginning to end. In the very beginning the score see-sawed back and forth until Lower Moreland gained an early lead. The blue and gold dominated the score until finally in the last three minutes the Hatter losses crept up from behind and went ahead to take the game by a crucial 36-33 score.

The junior varsity also had a successful season winning all of their games. Eleanor Ziegler took scoring honors for this team with 54 pointers in her favor.

Those from the squad who will be lost through graduation include Nancy Mascaro, Rosie Landis, Janet Maurer, Lucy Clemens, Gladys Delp, Florence Armitage and manager, Nancy Armitage.

JUNIOR HIGH GIRLS' BASKETBALL

Coach	MISS JEAN BERRINGER
Captain	SANDY KRATZ
Manager	MARJORIE ZIEGLER
Assistant Manager	CAROL LEWIS

Winning five out of eight games and tying only one of them, the junior high hoopsters romped through the season finishing with a very good record.

High scorer for the team was captain, Sandy Kratz, who netted 140 of the team's 213 counters. Their opponents bagged only 195 points against the Harter falconettes.

The crux of the game of the season was played Wednesday at the Harter gymnasium. At the end of the first quarter Harter was leading 8-7. At the end of the second quarter ended Worcester was dominating the score 20-10. And then at the end of the third quarter the board mounted into a record 35-18 Worcester. Worcester's first half score, Kratz's first layup which swished through the net with the buzzer going, the score of 35-18 was a deadlock.

Those girls who will not return for junior high positions next year include Sandy Kratz, Ruth Ann Price, Nancy Frankenfield, Sandy Spachman, Ruth Ann Wolf, Rosie F. Bert, Mary Rosenberger, Alice Wolf, P. Hedrick, L. Rittenhouse, P. Kriehel, C. Henning, M. Ziegler.

Coach..... ..MR. RONALD RICHARDS

The outcome of the varsity baseball team depends upon Lady Luck and her wheel of fortune. Since Coach Ronald Richards has taken over the helm of the Hatter nine, his team has rated second place the last two years and are still are hoping for the big one.

Last year was to have been the Falcons big chance but strong Palisades High conquered the league and clinched the Upper and Lower division championships.

Coach Richards has the same battery back from two seasons past when the birds fell to defeat in the playoffs to local North Wales. The pitching and catching duo of Harry Wurster and Jerry Moyer should find their bearings after two attempts. Bob Javorka, junior sensation is another main factor along with Lonny Schwartz, soph reliefer on the Hatter staff. Dave Fretz, who possesses a tremendous fast ball, also will fling for the Hatter and alternate at first base.

The infield shapes up as one of the schools best with Charles Ott, Bill Vincent, Walt Loburak, and Frank Javorka rounding out the diamond hopefuls.

Patrolling the pasturlands will be Ronny Landis, Ray Snyder, Charley Seiger and John Venetz.

This will be the Hatters' last chance for a Tri-County baseball championship and they'll be shooting the works.
